

YTCi TA 101 Training

Introduction to Transactional Analysis

☀️ Unlock Transactional Analysis with YTCi's TA 101 Course ☀️

Are you ready for a potentially transformative journey of self-discovery and professional growth? If so then attend YTCi's official TA 101 course, endorsed by EATA (European Association for Transactional Analysis).

🌐 Online or In-Person, It's Your Choice:

Dates:

📅 2023 - Nov 20th / 21st (Online)

📅 2024 - Feb 3rd / 4th (In-Person, Bucharest)

🕒 Time: 10 AM - 6 PM (Romanian Time) - Both Days

Discover the World of Transactional Analysis:

🧠 Gain profound insights into life and relationships from a TA perspective.

📖 Dive into TA theory and practice with the experienced international trainer, Dave, who brings this theory to life.

🌐 Join professionals worldwide using TA in psychotherapy, coaching, consultancy, and education.

🎓 Why TA 101?

💡 The TA 101 is the official entry gate for all TA training.

🕒 In just 2 intensive and enjoyable days, you'll cover all the key concepts of TA.

🧠 Mix of experiential and theoretical work with time for discussions and questions.

📖 What You'll Learn:

☀️ Strokes: Fulfil your basic need for recognition and attachment.

🕒 Time Structure: Learn to structure your time effectively.

 Ego States: Understand your Parent, Adult, and Child selves.

 Transactions: Master the 3 rules of communication.

 Script: Uncover your life story and transform it.

 Game Theory: Explore why we play games and how to break free.

Global Reach:

 650 Ron for those in Romania / Eastern Europe

 250 Euro for the rest of the world

Your Journey:

 Our TA 101 course fosters professional and personal growth.

 Develop your skills and techniques.

 Reflect on your professional practice.

 YTCi's training focuses on TA theory and practice.

 Theoretical input, discussions, supervision, and self-experience.

 Learn concepts and methodologies and apply them to your practice.

 Join us for this enriching 2-day experience and discover how to effectively use Transactional Analysis.
